### New Students.

The Union City Business College  
is filling up with new students to  
begin the first of January. Among  
the number enrolled are Geo. Cra-  
ver, T. C. Harrison, Dan Webster,  
Union City; Ernest Love, Crutchfield,  
Ky.; Roy Scott, McConnell, Tenn.;  
Miss Emma Lee Tate, Obion; Miss  
Clara Keirsey, Caruthersville, Mo.;  
Vern Roger, Bayonville, Mo.; and  
B. L. Hendricks, Heloise, Tenn.  
It is confidently expected that there  
will be twenty or more new pupils  
on the first of the new year. Those  
named have made arrangements to  
enter next Monday. Others are  
contemplating entering at that  
time and the prospects of the school  
are very flattering indeed. It is  
predicted that in a very short time  
this school will have more students  
than ever since the organization.  
The faculty is the best in its his-  
tory and the advantages are not ex-  
ceeded by other institutions of this  
kind.

### Married in Nashville.

Mr. W. J. Dickerson, Jr., form-  
erly of this city, was married in  
Nashville last Sunday to Miss  
Aline Langston. The wedding  
took place at the home of the bride  
at 510 Summer street. Among the  
friends present were Messrs. Lu-  
ther Cherry and Clarence Latimer,  
of this city. After the wedding  
the bridal party went to Clarksville  
where Mr. Dickerson and his  
father's family have been located  
for several months. The young  
gentleman is making rapid pro-  
gress in business at Clarksville.  
He is worthy and capable and we  
are informed that the bride is an  
accomplished and charming young  
woman. The friends here offer  
them their heartiest congratula-  
tions. A reception was tendered  
the bride and groom in Clarksville.

### Popularizing Band Music.

Mr. R. A. Robinson, formerly  
conductor and teacher of the Sec-  
ond Regiment Band, this city, is  
now in charge of the city band at  
Jonesboro, Ark., and the first of a  
series of winter concerts took place  
Friday, December 22, at the Malone  
Theatre. The organization con-  
sists of twenty musicians and a  
business staff. The musical di-  
rector is paid by the City Council  
and the band is properly speaking  
a public institution. The first con-  
cert was something after the man-  
ner of those given here by the Sec-  
ond Regiment Band. The new  
towns and public spirited cities in  
the South are now popularizing  
themselves with band music, and  
for this reason the authorities are  
promoting them. The citizens of  
Jonesboro evidently must be proud  
of Mr. Robinson and his band. A  
program of the concert was issued  
in the shape of a folder containing  
eight pages of advertising, illumi-  
nated in colors and done in the  
best style of typographic art. A  
brief history is given of the con-  
ductor, Mr. Robinson, besides the  
enrollment of members, executive  
staff and the program proper. Mr.  
Robinson is fortunate and so is  
Jonesboro in this organization.  
The city couldn't find a better  
musician or conductor to train the  
band if they searched the whole of  
the United States.

### The Concert.

One of the best band concerts  
ever given in the opera house was  
pulled off last Wednesday night by  
the Second Regiment Band under  
the direction of Mr. Fletcher Tate.  
The program comprising some very  
popular numbers appeared in this  
paper before and they were execut-  
ed in a manner showing that the  
band is holding the proud position  
attained last summer of being a  
star organization. The music was  
rendered with feeling and expres-  
sion. The boys handled their in-  
struments with ease, producing the  
various tempos with skill and  
effect. One of the greatest treats  
of the concert was Mrs. Wheeler's  
singing. She has unquestionably  
a well-trained voice and it is full of  
tone and power and brilliancy.  
She sings also with spirit and color,  
and the music is always appreciated  
by Union City audiences. Mrs.  
Wheeler was very kind to the band  
and the members are under many  
obligations to her for the favor.  
The concert was appreciated by a  
large audience of citizens and  
visitors.

The quartet was also a very en-  
joyable feature. Mrs. Wheeler's  
accompaniments were rendered by  
Mr. Owsby and Mr. Tate's cornet  
solo by Miss Rosson. This solo  
was a beautiful and skilled rendi-  
tion of an exquisite selection.

### The Consolidation.

The consolidation of Hardy Bros.  
& Haguewood stores at Union City  
and at Rutherford makes one of the  
strongest mercantile combinations  
in the western part of the State.  
Mr. Haguewood in the past few  
years since his advent in the sphere  
of general merchandising has made  
wonderful success at Rutherford in  
connection with his partners in  
business. That end of the house  
virtually succeeds Mr. Sherrill at  
this place. It is understood that  
Mr. Haguewood will return to Union  
City. However this may be, the  
business will be looked after by  
competent men, and as one of the  
leading houses in northwestern  
Tennessee will continue upon the  
same progressive and modern  
plans.

### Bought Fire Stock.

The Robinson, Bransford & Co.  
fire stock was sold this week to  
Geo. S. Hardy, that invincible, in-  
domitable, courageous gentleman  
and Napoleonic financier. It is  
also understood that Messrs. Harry  
and George Robinson will be en-  
gaged to manage the business  
which Mr. Hardy has planned to  
succeed that formerly conducted by  
Robinson, Bransford & Co. A new,  
expensive, modern structure will  
be erected on the same site of the  
building destroyed by fire, by John  
T. Walker, and when finished will  
be equipped and supplied with  
clothing and gents furnishings.  
The tailoring line will also be han-  
dled by Mr. Hardy under this excel-  
lent management. It will be an  
A1 establishment and no doubt a  
very popular business concern.

**Vinol** THE COD LIVER  
PREPARATION WITHOUT OIL

**Vinol** is fast superseding old-fashioned cod liver oil and  
emulsions because, without a drop of oil or  
disagreeable feature, it contains all the medicinal elements  
of cod liver oil, actually taken from fresh cods' livers.  
By our process the oil, having no value either as a medicine or  
food, is separated from the medicinal elements and thrown  
away. Unlike old-fashioned cod liver oil and emulsions,  
Vinol is deliciously palatable, agreeable to the weakest stom-  
ach, and therefore unequaled as a body builder and strength  
creator for old people, puny children, weak, run-down men  
and women, after sickness, and for all pulmonary diseases.  
Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in VINOL that if you will  
take it we promise if it does not benefit or cure you we will return you  
your money without question. We take all the risk.
